

WANT TO REDUCE FOOD WASTE?

The infographic features a central title in green capital letters. Surrounding the title are various food items and people, each with a green dotted line indicating their disposal path. The items include a croissant, a bottle of wine, a can of soup, a slice of pizza, a whole pizza, a bunch of bananas, a whole onion, a cucumber, a head of lettuce, a bottle of beer, a cinnamon roll, a whole pepper, a whole apple, a slice of watermelon, a can of beans, a slice of watermelon, a whole pepper, a whole onion, a bunch of bananas, a whole pizza, a slice of pizza, a can of soup, a bottle of wine, and a croissant. The people are depicted in various poses, some holding the items, others dropping them, and some carrying bags, suggesting they are discarding the food.

Food Sharing Edinburgh aims to reduce food waste through education and redistributing excess food. We are a community-based, volunteer-run project located at the Shrub Co-op.
